

# DL9204

## 600V Compact Digital Multimeter

600V Manual Ranging Digital Multimeter c/w carry case

Compact 600V manual ranging digital multimeter with 2000 count LCD display. With full range protection on all ranges, a safety category to CAT III 600 V and functions which include battery and diode test, the DL9204 offers great features for most applications.

### Features

- Voltage range up to 600V AC/DC
- Audible Continuity
- 2000 Ohm Resistance
- 10A DC Current
- Battery Test
- Durable double moulded design
- Compact and easy to use
- Supplied with carry case
- Fully compliant with GS38

### Specifications

| Measurement       |                                           |
|-------------------|-------------------------------------------|
| AC Voltage        | 600V AC                                   |
| DC Voltage        | 600V DC                                   |
| DC Current        | 1uA - 10A DC                              |
| Resistance        | 0.1 $\Omega$ – 1k $\Omega$                |
| Continuity        | Audible 30 $\Omega$ (test current <0.3mA) |
| Diode test        | 0.3 mA typical 1.5 V DC                   |
| Other Information |                                           |
| Power supply      | 1 x 9 V PP3 alkaline battery (supplied)   |
| Dimensions        | 150 x 70 x 48 mm                          |
| Weight            | 255g                                      |

All Di-log Multimeters  
supported by a  
2 Year Warranty
